'Christchurch a Smugglers' Town'

**Wednesday 22 April
6:30pm – 7:30pm
at Druitt Hall, High Street, Christchurch**

In Georgian times, smuggling happened all around the British coast but why was it so prolific in Christchurch?

This talk offers a fascinating insight into the smuggling trade. Why was Christchurch such a magnet for the free traders? Why was it happening, who was involved, and how did this affect the local community?
